# Green Project Exchange

[www.greenprojectexchange.org](http://www.greenprojectexchange.org)

# The Main Idea

- Outlet for idea sharing
- Communities can identify shared interests
- Networking opportunities
- Best practices - what worked, what didn't
- Inspiration!

# Who Can Register?

Project leaders or representatives from:

- Municipalities

- Community Groups

- Non-Profits

- Schools, Educators, Student Groups

- Businesses*

## Two Ways to Post

1.) Post a project yourself

2.) Have the GPE team write

a case study for You

# Become a Green Project Exchange Member

Fill out the form to request membership. Once your membership is approved and you receive the confirmation email, you will be able to login and begin entering in your projects.

Fields labeled with * are required.

- Sustainable Agriculture
- Outreach and Events
- Teacher Best Practices
- Schoolwide "Go Green" Initiatives
- Sustainable Materials Management
- Water, Wastewater and Stormwater Infrastructure

SHOP LOCAL
**TWICE IS NICE**
TWICE EVERY MONTH
**HONEOYE FALLS | MENDON**

## Featured Project

Twice is Nice is a shop local initiative in the communities of Honeoye Falls and Mendon. The program encourages residents to shop at registered businesses at least twice a month to support a strong local economy. The program is funded by quarterly membership dues of participating businesses. As paying members, business owners are entitled to advertising solutions offered by the program- such as publicity on the Twice is Nice website, window clings, and access to the Town's e-mail listserv of over 800 residents.
