

Regional Economic Development Councils & The Consolidated Funding Application

Khris Dodson

SU-EFC

REGIONAL COUNCILS

REDCs and You

Each Region created a strategic plan.

Strategic goals to improve economy:

1. Strengthen Targeted Industry Concentrations that Leverage Unique Economic Assets
2. Improve Competitiveness in and Connections to Regional, National, And Global Economies
3. Revitalize the Region's Urban Cores, Main Streets and Neighborhoods

Key initiatives:

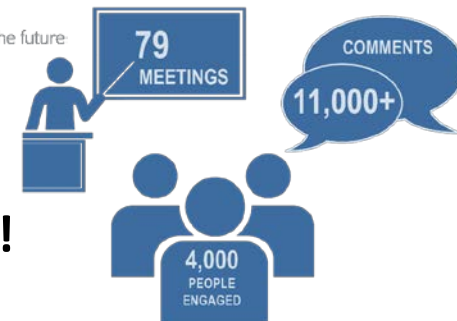

- Significant steps taken to establish a hub for unmanned aerial systems firms and innovation;
- Continued development of Syracuse University's National Veteran's Resource Center;
- The funding of the Syracuse Promise College Collaborative, a one-of-a-kind partnerships with the Say Yes to Education effort;
- Vast public engagement and discussion around Consensus, the Commission to modernize local government

What are the other Critical issues & Challenges?

Align your project goals with regional strategies to get funding!

ConsensusUS

By the people, for the future

A Division of Empire State Development

REDC and the CFA

Selection Criteria for NYS DEC/EFC Wastewater Infrastructure Engineering Planning Grant

	Points Assigned	Criteria
Regional Economic Development Priority	20	Alignment with the goals and priorities of its REDC
Performance Measures	40	Severity of existing water quality impairments
Strategies	24	Proposed project is required by a Consent Order, SPDES permit or TMDL
Process	8	Local commitment
Vision	4	Planning project is identified in a formally adopted plan
NYS DEC Regional Priority	4	Alignment with the goals and priorities of the DEC region that the project is located

2017 Funded projects

Owasco Flats Floodplain Reconnection

Cayuga County

EFC GIGP: \$600,000

Cayuga County will use GIGP funds to complete a floodplain enhancement project designed to reduce nutrient and sediment levels in Owasco Lake.

Owasco Lake Source Water Protection Program

The Nature Conservancy

The Nature Conservancy will purchase up to six parcels in the Owasco Lake watershed for protection and potential restoration of riparian buffers and wetlands. This project will reduce sediment and nutrient loading to Owasco Lake.

DEC WQIP SWP: \$1,124,069

2017 Funded projects, con't.

Fair Haven New York Main Street Renovations

Village of Fair Haven

The Village will assist in the renovation of mixed-use buildings located in the historic downtown district.

HCR NYMS: \$275,000

Moravia Climate Smart Communities Certification and Comprehensive Planning

Village of Moravia

The Village of Moravia will develop a Comprehensive Plan that focuses on adaptability to climate change. Developing a Comprehensive Plan is a necessary first step toward making informed land use decisions related to extreme weather and flooding. The Plan will also be tailored to advance the Village's pursuit of Climate Smart Communities certification.

DEC CSC C: \$17,278

2017 Funded projects, con't.

Wastewater Treatment Plant Improvements

Village of Marathon

DEC EPG: \$30,000

The Village of Marathon will complete an engineering report to evaluate upgrades and improvements to the wastewater treatment plant.

Onondaga Lake Waterfront Planning

Onondaga County

DOS LWRP: \$330,000

Onondaga County will prepare a Feasibility Study for beach access along the eastern shore of Onondaga Lake, design Reports for the 2.8-mile gap in the County's Loop-the-Lake Trail spanning from the end of the Onondaga Creekwalk behind the Destiny USA Mall to the northern tip of the lake, and a Market Analysis including public visioning for redevelopment of county-owned waterfront properties.
