

Resources for Developing Resilient Stormwater Systems with a Municipal Downspout Disconnect and Green Infrastructure Program

General Guidebooks

- Developing a Municipal Downspout Disconnect and Green Infrastructure Program (SU EFC and NYSWRI) https://efc.syr.edu/wp-content/uploads/2020/04/Disconnect_Downspout_Report.pdf
- Engineering with Nature (US Army Corps of Engineers) <https://ewn.ercd.dren.mil/>

Enabling Conditions

- Code Ordinance Review for GI Enabling Conditions (Center for Watershed Protection) <https://www.cwp.org/updated-code-ordinance-worksheet-improving-local-development-regulations/>
- Green Infrastructure Model Local Law Project (SW Coalition of Albany Co.) http://stormwateralbanycounty.org/wp-content/uploads/2011/12/A_GrnInfModLocLawProj_SWCoalAlbCntyNY_2013_Nov_ForDistribution.pdf
- Exploring the Development of a Stormwater Utility: Three Case Studies (SW Coalition of Albany Co.) http://stormwateralbanycounty.org/wp-content/uploads/2021/11/1_ExplorgDevOfSWUtility_Report_3MS4MuniAlbCntyNY_April2020_FINAL.pdf

GI Implementation Guidance

- How to make your own rain barrel? [video] (Western NY Stormwater Coalition) <https://m.facebook.com/watch/?v=3024513524327611&rdr>
- Guidance Manual for Homeowners-Managing Stormwater Using Green Infrastructure (Stormwater Coalition of Albany County) http://stormwateralbanycounty.org/wp-content/uploads/2011/12/GuidanceManual_Homeowners_DwnspoutDisc_RainGarden_RainBarrels1.pdf
- NYS Stormwater Management Design Manual (NYS DEC) <https://www.dec.ny.gov/chemical/29072.html>

Communication

- H2O Hero Program (Monroe County) <http://H2Ohero.org>

Funding

- Funding Source Guide Resiliency Funding Sources for New York State Watersheds and Water Infrastructure (Non-Agricultural) (SU EFC) <https://efc.syr.edu/wp-content/uploads/2020/02/Funding-Matrix-online-1.pdf>
- Green Values Calculator—Stormwater Management Calculator (Center for Neighborhood Technology) <https://greenvalues.cnt.org/>
